The LabelTac 4 Industrial Thermal Transfer Printer is the easiest way to print all of your 5S, Pipe Marking, Facility, Lean, and other labels in-house from any PC!

Easy to use and easy on the budget, The LabelTac 4 prints indoor/outdoor signs and labels up to 4" tall, and 40" long, that are UV, chemical, weather, water, and wear resistant, and won't fade or smear over time. These labels are perfect for use in any environment- whether it be a quiet, office-style scenario, or even the toughest industrial manufacturing facilities.

Renting a LabelTac 4 is a great option because you get the professional results you want without the cost of buying the equipment. And if you end up finding you would like to keep the LabelTac 4, we will even apply 100% of the rental charges towards the purchase price of the LabelTac 4.
